

"Summer means happy times and good sunshine. It means going to the beach, enjoying the scenery, having fun with family and friends." -Brian Wilson

Dear Tiny Thinkers Families,

Summer is officially in full swing, and July is shaping up to be one of our most exciting months yet! From splashing fun and outdoor adventures to hands-on learning and unforgettable memories with friends, we have a summer full of sunshine, laughter, and discovery planned for our Tiny Thinkers.

As we jump into all the July fun, here are a few friendly reminders:

Stay Cool & Hydrated

Please send your child with a labeled water bottle each day so they can stay refreshed during all of our summer activities.

Mosquito Season Is Here

To help keep our little ones comfortable while enjoying outdoor play, families may leave bug repellent at school. If you choose to do so, please complete a Medical Administration Form so our staff can safely apply it when needed.

We can't wait to make this month one to remember. Thank you for being part of our Tiny Thinkers family we're looking forward to a July filled with smiles, learning, and summer magic!

Now for the fun stuff... check out what we have planned!
